

# TURNTABLE COUCH

**ZEITRAUM**

## assembly instruction 12/2017

### TOOLS REQUIRED:

socket wrench

Please fix up the table on a soft surface to avoid damages!

**1.** Place the tabletop upside down on a blanket and screw in the threaded rod.

**2.** Place the tableleg on the threaded rod. Please ensure the wood grain of the base plate and the tabletop runs in the same direction.

**3.** Place the washer...

**4.** ... then the lockwasher...

**5.** ... at last screw in the screw nut.

**6.** Tighten the screw nut with the socket wrench.

**7.** Place the felt pads evenly distributed.
